## L. A. Chapter Remembers

by Kenneth "Slim" Sutherland

In May of 1919, the three Companies of Engineers that California had contributed to Rainbow from its' National Guard was returned to their home areas and "kicked out" of Federal service. Company D went home to Sacramento, while E and F wound up where they had started: in Los Angeles.

A quickly-formed L.A. Chapter of our R.D.V. learned that relatives had maintained "Company" Auxiliaries during the war; by agreement of all of the "vets," the first order of business of the Chapter was to convince the membership of those "Company" organizations that they should become even stronger . . . as a single entity. That turned out to be "a labor of love;" sure enough, they did become one entity, limited in membership to the female of the species! (Odd, isn't it? Our National Auxiliary as we know, appreciate, and love it today, had its' birth at the Los Angeles Reunion of 1932.) But, back to 1919:

The new Auxiliary presented the Chapter with a set of Colors, the "Standard" having been designed by Naomi Littell (wife of Frank, F-117 Engrs), if this Scribe's memory is worth a damn! On November 11, 1919 . . . first anniversary of the WWI Armistice . . . those Colors made their first public appearance as they led the parade down the main thoroughfare of the city. Contrary to custom, that "Standard" was not cluttered up with names and dates. Rather, on a field of pure white banner silk, one noted only a beautiful multicolored rainbow arching above the figures "42" in exquisite blue.

After meritorious service, some 41 years and five months later, the entire set was retired and replaced by exact duplicates (except that by December of 1960, our United States had done a bit of growing that required additional Stars in the field of Old Glory.) Again, we were indebted to the Chapter's Auxiliary; a finer Christmas gift is unimaginable!

The above photo was removed from the official pictorial history of the Los Angeles Auxiliary. It will, of course, be returned. Taken by Rainbower Ron Roberts (E-168 Inf) it shows the President of the Chapter, William S. Miller (on the dais in the background) with the two most important "officials" present, surrounded by a couple of guys who simply went along for the ride. The lady on the left is Bea Justad, Chairlady of the Auxiliary's committee to secure and present the Colors. At right is Fanny Christopher, then President of the Auxiliary. The others, who cares? Actually, on the left is "Stoney" Stonebarger, Chapter Sergeant-at-Arms, and on the other side, some folks will recognize a member of the Chapter's Executive Committee, "Slim" Sutherland.

The original "Standard," properly identified . . . framed . . . and under glass, is presently on display in the home of VFW Post 8310, in Burbank, California.

## President's Message

President Al Brewer

In Birmingham, Alabama, on November 11, 1979, we were joined by the National Auxiliary President, Mrs. Edith Sayers, Her Red Cap, PNP Charlie, PNP Bill Barton and Dot Strange, for the prestigious Veterans Day festivities where it was my privilege to represent our Rainbow Division Veterans Association.

The last time I attended this outstanding patriotic event was in 1970 when it was my honor to carry our Rainbow flag in the Veterans Day Parade. The programs are always most impressive and this was no exception. Our thanks to the Mortimer Jordan Chapter for all the courtesies which were extended to us and to Jimmy Mize for seeing that we were where we were supposed to be on time.

I have attended the Rocking Chair Chapter Birthday Party in Clearwater, FL, on December 1st, the Oklahoma City Christmas Dinner on December 8th, and the Tulsa Christmas Party, December 16th. We regret we could not attend all the events to which we were invited, but it was impossible.

Don't forget it is only a few weeks until we meet for our Mid-Year Meeting in Tampa, Florida. We hope you will mark February 15 and 16 as Rainbow days for our business and fellowship. A good time is planned for you - don't miss it.

While we are talking about Rainbow fellowship, I would ask if you have made a real effort to enlist inactive Rainbow men to share in our gatherings? Our total membership is advancing in the right direction; however, we must continue to seek out prospective members. Next July we will know whether or not we have been successful when the membership report is read.

Here we are in the 1980's. Mary and I wish for each of you a decade filled with good health, good friends and good times.

## Kubik Honored

**Col. Joe Rosalia**

In answer to your inquiry on Bob Kubik, I received a telephone call from John Sabo, one of the stalwarts of "G" Company, 222d Infantry, on 2 June, 1979, at approximately 9 p.m., informing me of Bob's passing. Over the next hour, I tried unsuccessfully to contact the family. It was the same story the next day; a telephone recording gave me another number to call, but no answer. Saturday night we contacted Jim McNicol, who also took steps to contact the family. Jim had flowers sent on behalf of the organization, along with appropriate sentiments.

At Huntsville in July, the Regimental Association passed an unanimous resolution to send Bob's family an engraved certificate honoring him for his devotion to the 222d Regiment and the 42nd Division. In addition, there is an ongoing program to contribute funds to the Gruber Memorial in his name. To date, contributions amount to \$358.00, and it is hoped that more funds will be forthcoming. Please mention this project in your next Issue so that all who knew and respected Bob's efforts on behalf of Rainbow may contribute to his honored memory.

Bob's death is a great loss to his loved ones, and all of us who knew him as a first class soldier will hold his memory in high esteem.

## Pension Urged

The following Resolution, passed at the 1979 Convention of California Retired Officers Association, will be of interest to veterans of World War I:

"WHEREAS, The fighting men who braved the dangers of barbaric warfare during World War I have been ignored by the present members of Congress even though they were the ones who founded the American Legion, Veterans of Foreign Wars and the Disabled American Veterans, and

"WHEREAS, Many of these veterans received disabilities from the use of gas which did not completely dissipate, and

"WHEREAS, These veterans have had to fight for every penny of recompense they receive for their wartime service, and

"WHEREAS, These veterans are now at least 82 years young, thus qualifying as elderly people, now therefore

"BE IT RESOLVED, That the Retired Officers of California, assembled at Palm Springs this 22nd Day of September, 1979, urge Congress to pass a Pension Bill for the few remaining World War I Veterans."

Some six hundred copies of the Resolution were mailed to the President, members of Congress, Department of Defense and to TROA Chapters through the country.

## Prayer

God our Father and Protector, without you nothing is holy, nothing has value. As we begin another New Year, open our eyes to see your hand at work in the splendor of creation, in the beauty of human life. Help us to see that, touched by your hand, our world is holy. Help us to cherish the gifts that surround us. Help us to appreciate this New Year that you have given us to enjoy life and to share your blessings with our brothers and sisters. Help us to experience the joy of life in your presence and to realize that each day is given us to serve you and to love our neighbor. We ask this in the name of Christ our Lord. Amen.

- Rev. Robert F. Weiss,  
S.J., National Chaplain

## Nuclear Info

For over a year, the Department of Defense has been attempting to identify former military and civilian Defense personnel who participated in the atmospheric nuclear tests conducted from 1945 to 1962. If you participated in these tests, which were held largely in Nevada and at Bikini and Eniwetok atolls in the Pacific, you are urged to contact the Defense Nuclear Agency if you have not done so.

Based upon research to date, it is believed that radiation exposures were low. While medical science has no proof that exposure to radiation levels as low as these is hazardous to health, it is generally assumed by scientists that even low levels of exposure carry some slight risk.

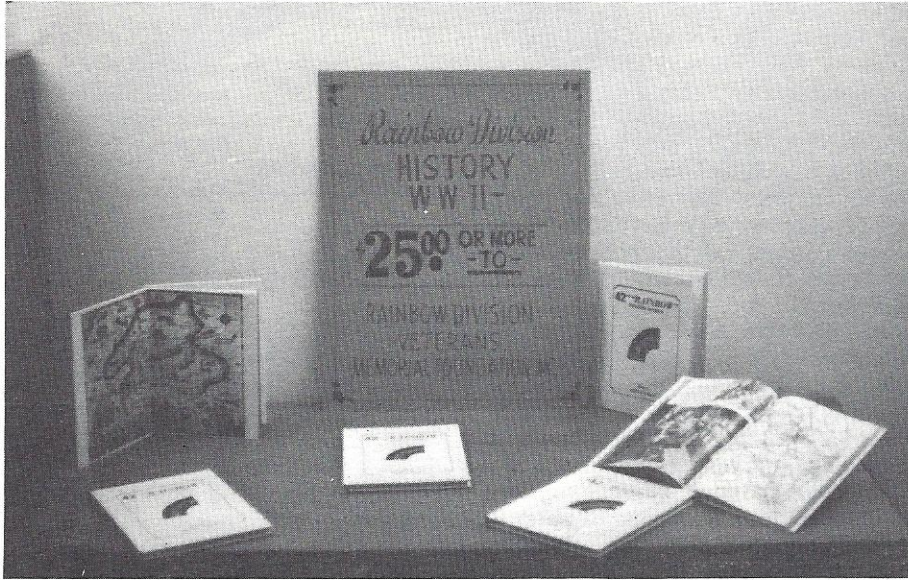

If you were a participant in the atmospheric nuclear test program, and you have not already done so, you are urged to contact the Defense Nuclear Agency at toll-free number 800 - 336 - 3068 in the continental United States; from Virginia, outside the Washington, D.C. area, call toll-free 800 - 572 - 6845; from Alaska and Virginia within the Washington D.C. area, call 202 - 274 - 9161 (collect if long distance); from Hawaii call collect 808 - 422 - 9213. Or, write to Defense Nuclear Agency, Washington, D. C. 20305.

If you are concerned that your possible exposure may have adversely affected your health, you are urged either to consult your doctor or contact the nearest Veterans Administration Hospital, where you may obtain a physical examination at Government expense.

In November, a California veteran, suffering from cataracts and advanced cancer, won damages in court against the Government, based on the fact that he had been witness to a nuclear test, which "probably" was the cause of his illness.

# W W II Rainbow History

Requests from veterans are coming in daily for the WWII History Books, and as of the 16th of November, 1979, there have been 56 books sold since Huntsville. Everyone is very pleased with the book, and copies are still available. From all indications, there will not be another printing of this book, so send for yours today. Make your check for \$25.00 or more, plus \$1.03 for postage per book ordered, payable to The Rainbow Division Veterans Memorial Foundation, Inc., and mail it with your order to Hugo E. Grimm, #1 Community Federal Center, St. Louis, MO 63131.

## A Year of Progress

"The completion of a full year of occupation duty in Austria by the 42nd Infantry 'Rainbow' Division, Commanded by Maj. Gen. Harry J. Collins, calls for a review of the Division's many accomplishments since VE Day. During the twelve months that have passed since the shooting stopped, the 42nd and other US troops in Austria have faced and solved problems which, in complexity and difficulty, have rivalled combat days."

Thus begins the fascinating and amazing report of the 42nd Division's accomplishments in that first year after the war ended to help the American Zone of Austria return to normalcy following a devastating war. Writes PNP Hugo Grimm:

"My supply of 'A Year of Progress' books has been exhausted. Please contact your chapter secretary as they have been sent a supply of these books. If you are unable to contact a secretary, please send you request to me and I will fill it as soon as possible. SECRETARIES: If you are unable to sell these books, please return them to me so I can continue to fill the orders as they come in. REMEMBER, to obtain your copy of this very interesting book, send three dollars (\$3.00) to your chapter secretary or to Hugo E. Grimm, #1 Community Federal Center, St. Louis, MO 63131."

## Perseverance Pays

The battle by Col. Walter T. Collins, USMC, Ret, to receive the Distinguished Service Cross reached a fruitful conclusion September 28, 1979, when Army Assistant Secretary Robert T. Nelson telephoned Collins to announce that the Army Board of Military Corrections had awarded him the nation's second highest medal.

Collins, now 80, was a 19-year-old private serving as a sniper in the 1st Battalion, 165th Infantry, of the New York National Guard's 42nd "Rainbow" Division in World War I when his long trek to the DSC began.

During a battle in the French town of Jonchery, July 15, 1918, Collins rescued three wounded soldiers before succumbing to mustard gas. He later received the Silver Star for his heroics, despite being recommended for the DSC by his commander.

Not satisfied with the lesser award, Collins began what he calls "constant badgering of the Department of the Army" for a hearing to correct the error.

Because his lone living witness, an 86-year-old amputee, could not come to Washington to testify in his behalf, Collins ended up hiring a camera crew to videotape the testimony. Col. Collins wrote a brief note to the Editor, "This took a long time, but it was worth it."

## Armistice Day

Armistice Day was observed across the Nation on Sunday, November 11, 1979. Among those Chapters having special observances were the Mo-Kan Chapter, which assembled at the Rockhurst College Student Chapel in Kansas City at 11 a.m., for a Memorial Service conducted by National Rainbow Chaplain, Rev. Robert F. Weiss, S.J., President of Rockhurst College.

On that same Sunday afternoon, at 4:00 p.m., a Massing of the Colors and Veteran's Day Observance was held at St. Michael and All Angels Episcopal Church in Dallas, Texas. Twenty military and para-military units participated along with twenty partiotic organizations. Texas Chapter of the Rainbow Division Veterans Association was well represented with Clovis Brakebill (542 FA Bn.) acting as Grand Marshal, Co-Chairman of the Massing of Colors Committee, and led the congregation in the Pledge of Allegiance. The National Rainbow Banners were carried by PNP Johnnie Stubbs (D-242 Inf) and Arnold Hofland (M-232 Inf).

## San Francisco Folds

The San Francisco Chapter of the Rainbow Division Veterans Association has placed its allegiance with the Los Angeles Chapter, and placed its colorful 44-year old Banner and United States flag with the California Veterans Home Museum in Los Angeles.

Henry Steuhmeyer of Petaluma, President of the Transbay Chapter, made the announcement and contribution in collaboration with LTC (Ret) G. L. "Chick" Evans of Napa, retired Colonel-Commandant of the Veterans Home, and an associate member of the Veterans Home Historians, sponsor of the Museum.

Steuhmeyer said the San Francisco Chapter, once having a Northern California membership of about 200 World War I men, had scaled down "to about 30 living in all parts of the United States."

Rather than disband, Colonel Evans reported, the Chapter decided to affiliate with Los Angeles, which now has the only Rainbow Chapter in California.

## Mid-Year 1980

# JANUARY, 1945 - E.T.O.

Wherever you are Rainbowers, we want to take this final opportunity to invite you to come be with us. Yes, come to sunny Florida on February 15 - 16, 1980. This will be your Midyear Executive Committee Meeting. Because it has become so popular over the years, it has become known to many as the Midyear Reunion of Rainbow. So, many, or should I say most, of the famous Rainbow Soldiers need only a slight movement of the wind or a small rainbow in the sky to have a reason to get together anyway. We hope you can make your plans now to attend.

As we said before, it will be on February 15 and 16, 1980, in Tampa, Florida at the Sheraton Tampa Motor Hotel, 515 E. Cass Street, Tampa, Florida, 33602. The room rates for this meeting will be \$30.00 single; \$38.00 double. For those of you that may want to come earlier or stay later, the same rates will apply.

For those of you coming by air, you only have to call the Sheraton Courtesy bus at 229 - 6431, and they will pick you up at the Tampa Airport. Once again, let us caution you to make your reservations with the hotel direct for this Reunion.

Your committee has worked long and hard to see that your visit will be made to order for business, fun and fellowship. With this, there can only be one thing we need and that is you, Mr. and Mrs. Rainbower.

For those of you that want to pay your registration in advance, the cost is only twenty-five dollars. Send your check direct to Merton J. Myers, 1371 High Bluff Drive, Largo, Florida, 33540.

Now you thought we had finished, didn't you? You are right, we have. But just one last time, why don't you read it just once more; that may be all it takes for you to come be with all your other friends that will be here with us.

So, until we see you in Florida, all of us in the Rocking Chair Chapter wish all the very best of everything.

**Ya'll come, R.E. Kerns, Jr., Chairman.**

## Kansas Reunion

The Rainbow Reunion was held in Manhattan, Kansas, September 29. Forty persons participated in the gala event. Twenty-four Early Birds came the previous afternoon for a Dutch dinner and fellowship.

The group was honored by National President Albert Brewer and his wife, Mary, who was the National Auxiliary President nine years ago. Other National officers included John George, VP; Arthur Koch, Membership Chairman; Herb Butt, Co-Chairmen Membership; and Executive Committeemen Roger Knowles, Lincoln, NE; Fred Miller, Tulsa, OK; Dixon Rogers, Fayette, MO; and Earl Teagarden, Manhattan.

National Auxiliary officers attending were Mary Brewer, OK; Velma Parham, Wichita; Joan Koch, Wichita; Lela Tracy, Grinnell, Iowa; Ruth Butts, Tulsa; and Edna Teagarden, Manhattan. Other persons attending included Bebe Laughlin, Laura Taylor, and George and Louise Rhodes of Kansas City; Howard and Thea Knepp, Akron, OH; Claudia Ward, Abilene, KS; Sybil Wright of Des Moines; Frances Knowles of Lincoln, NE; and others from Manhattan.

## Benjamin W. Glassman

Benjamin W. Glassman, age 80, of Battery B, 149th F. A., passed away October 16, 1979. Funeral services and burial were held October 19th at Acacia Park Cemetery in Chicago. His demise was attributed to heart failure. Ben had been ill several years with a serious nerve disorder.

A staunch member of Rainbow, he gave his best in entertaining the many Reunions he attended with a fine voice singing old army songs of WW I and II. He possessed a very warm personality to all of Rainbow.

As Editor of the REVEILLE during the years of 1970 and 1971, Ben reported Rainbow's news events combined with photography.

Survivors are son Robert, two brothers, two sister and two grandchildren.

- Michael A. Martino,  
Sec/Treas, Illinois Chapter, RDVA

## World War I Heroes

In 1920, Harper & Brothers, Publishers, New York and London, published a book entitled **Harper's Pictorial Library of the World War, Deeds of Heroism and Daring**, Vol. X. The book contained rather glamorized drawings of WWI soldiers who had distinguished themselves on the field of battle, along with a short summary of their actions. The Editor is indebted to Dee R. Eberhart, 242 Infantry, and daughter Cory, who photographed the drawings of 42nd Division soldiers. As space permits, we will publish one or more of these drawings and stories in future Issues of REVEILLE until the thirteen soldiers have been presented to you.

**Sergeant Grady Parrish**  
Co. "G", 167th Inf, 42nd Division

"He re-organized his platoon and personally led it in the attack on Cote de Chatillon. By his daring acts, he broke up a heavy enemy counter-attack on his front, thereby setting to his men an example of exceptional heroism and devotion to duty."

## Los Angeles

The Los Angeles Chapter will honor the 100th birthday of General MacArthur with a brief but impressive ceremony at the MacArthur statue in MacArthur Park, Wilshire and Alvarado, on Saturday, January 26th, at 11:00 a.m. For more details, phone Don Segel at 536-4180 or 454-7015.

The Los Angeles Chapter will hold it's Mid-Year Reunion honoring the National President Al Brewer on Sunday, March 2, 1980. You may phone Don Carner at 422-0516 or Don Segel at the above numbers for more details.

## 1980 Reunion

The May and June Issues of REVEILLE will contain a great deal of information concerning the Cedar Rapids Reunion. In the meantime, please refer back to the last (November, 1979) Issue for details on room prices and how to make your hotel reservations.

Be advised that United Airlines has dropped many short run flights to smaller communities, so it might be well for you to keep up on schedules into Cedar Rapids.

Of great importance is advance registrations with the Reunion Committee. The registration fee is \$25.00 per person attending the Reunion, and you should make your check payable to Cedar Rapids Chapter, RDVA, and mail it to Hank DeJarnatt, 1207 31st Street N.E., Cedar Rapids, IA 52402.

The Editor has been privileged to see an advance copy of the proposed agenda for the Cedar Rapids Reunion, and it looks like a winner. Lots of time for touring and unit get-togethers. Business meetings and Executive Committee meetings are held to

## South Bend Meets

The South Bend, IN, Chapter, RVDA, held the September meeting at the home of Dr. and Mrs. James Bowers, with a pot luck dinner. Twenty seven were present, including guests Mr. and Mrs. Charles Marshall from Indianapolis, and Mr. and Mrs. Marty Pawlak from Brighton, MI.

The meeting consisted mainly of discussing the Huntsville Reunion by the members who attended: Herb Klinedinst, Bob Russ, Phil Oberkiser and Lowell McMillen. All agreed that it was one of our better Reunions.

Herb Klinedinst brought us up to date on the Muskogee Memorial.

Officers were elected for the coming year: President - Roy Kelley, Vice President - Phil Oberkiser, and Secretary/Treasurer, Lowell McMillen.

—Lowell McMillen

a minimum necessary to transact Rainbow business. We will publish the Reunion agenda in the June Issue of REVEILLE.

On Sunday, November 11th, at 11 a.m., the 43 members and guests of the Mo-Kan Chapter, met in the Student Chapel on the campus of Rockhurst College, Kansas City, Missouri. Under the leadership of our National Chaplain, Father Robert Weiss, S.J., Memorial Services were held for our fallen comrades of World Wars I and II.

Immediately following the service, a luncheon for the members and guests was held in the faculty dining room at Massman Hall, just across the quadrangle. This was the second annual memorial of this type conducted by the Mo. Kan Chapter at Kansas City, MO. The Chapter plans to make it an annual affair to remember our own comrades of the Rainbow in both World Wars in our own way on November 11th, regardless of the National holiday whenever it may be.

Out of town guests included PNP Hugo and Oriana Grimm, Dixon and Tommie Rogers, Earl and Edna Teagarden, Ruth Butts, Velma Parham, Roger and Frances Knowles, Arthur and Joan Koch, Fred and Bea Miller and John and Lorena George.

The luncheon following the Memorial was planned and served under the supervision of Ursula Phall, Executive Assistant to Father Weiss. The tables were decorated with Rainbow floral arrangements.

Herb Butts, National Co-Chairman for Membership, presented PNP Hugo Grimm with a beautiful plaque in appreciation of his service as National President. The luncheon meeting and activities were presided over by George Rhodes, President of Mo-Kan Chapter. The music was provided by Rockhurst College students.

## Rainbow Auxiliary

Last year, Edna Teagarden was the first National Auxiliary President to write an article for the REVEILLE. I think that was a good idea, and I hope this practice will continue.

The Auxiliary is made up of wives, mothers, sisters, daughters and widows of Rainbow Division Veterans. There are local chapters in most states, as well as division auxiliaries. If neither of those are near your area, you can become an individual member in the National Auxiliary for \$2.00 per year. Anyone interested in becoming a member can contact either Edith Sayers, National Preident, P.O. Box 125 Blacksburg, VA 24060, or Winnie Balcock, National Secretary, 3920 Trevor Avenue, Cincinnati, OH 45211. The Mid-Year Reunion is to be held in Tampa, Florida, February 15, 16 and 17, at the Sheraton Tampa Motor Hotel. February is a good time of year to leave the cold of the north and mid-west and head to the sunny south. I hope we have a good attendance for this meeting.

My Red Cap, PNP Charlie, and I have just returned from the Birmingham Veterans Day Celebration, which was a very outstanding meeting as always. We were joined in Birmingham, for the festivities, by National President Al Brewer and PNAP Mary, as well as PNP Bill Barton and Dorothy Strange. Our host in Birmingham was the Mortimer Jordan Chapter, which was represented by PNP's Charlton and Bernice Ragsdale and Mr. James L. Mize. On our way to Birmingham, we stopped by Columbia, SC, for the South Carolina State Meeting.

We sincerely hope that anyone interested in joining the Auxiliary will contact either Secretary Winnie or myself, and we will be happy to put you in contact with some member close to you.

—Edith Sayers,  
National Auxiliary President

## MacArthur Memorial

Several thousand people and leaders of the nation and the army will assemble at the MacArthur Square Complex in Norfolk, Virginia, on the 100th Anniversary of the birth of General Douglas MacArthur, on January 26, 1980.

According to Charles E. O'Shields (M-222), of Portsmouth, Virginia, who represents the Rainbow at ceremonies at the MacArthur Memorial, the greatest turnout of high government officials at a memorial ceremony in this generation is expected. Although the full list of dignitaries was not available at press time, Mrs. MacArthur will attend and possibly the President of the United States. Hopefully, the next Issue of REVEILLE will carry photos of the ceremony.

## Secretary's Report

PLEASE do not send your dues to the National Secretary if you have paid dues to your Chapter. The National Chapter at Large is for veterans who have no geographical (city/state) or unit chapters. Check the "Chapter Totals" in this Issue to see if there is a chapter near you, or if your unit has a chapter. Members of deactivated chapters who have not joined another chapter may pay dues to the National Chapter, and this includes former members of the Massachusetts, Colorado, Bloomington, etc., Chapters that have become inactive. Also, men of Division Headquarters and Headquarters Company, 42nd QM, 742 Ordnance Company, etc. Do not leave your local or unit chapter to join the National Chapter; they need your support and your chapter dues, which includes National dues.

The 542 Field Artillery Chapter is working on an all-inclusive DIVARTY Chapter to include the four artillery battalions, 542, 402, 392 and 232 Battalions. This should be a terrific chapter. Artillery men should get behind this proposed chapter and work for its charter approval at the National Reunion in Cedar Rapids in July, 1980.

—Secretary Peg Keating

## Publications

The Unit Chapters are to be congratulated on the quality of their unit publications. The 222d Infantry BADGE, edited by James V. McNicol, has long been the leader among unit publications, with issues that average 40 pages or more. The 232d Infantry Chapter just came out with a beautifully done 16 page issue after a lapse of some time. The 242d Infantry Chapter has issued four papers entitled THE REGIMENTAL COLORS over the past year, with Al Cahoon and Dee Eberhart as co-editors. The OTTO H. YANKE (M-222) Chapter issues four or more Newsletters per year. All of the above are professionally printed complete with photos.

Then there's the MP Platoon Chapter's "Poop For the Group," edited and reproduced by Bob Snodell of Chicago, a sprightly report of doings within the MP Platoon. With members spread across the Nation, these papers are the only way unit chapters can keep up interest and unity.
