

MID-WEST AND JERSEY HONOR PRESIDENT BARROW

ONE OF THE MOST PLEASANT and gratifying duties and privileges of the National President is that of visiting Chapters and attending Rainbow affairs throughout the country. The warm hospitality, firm clasp of hand, and the other amenities accorded the visiting President are, alone, sufficient compensation for his travels. But in addition, the many treasured contacts made during these trips, and the attending of meetings of various Chapters, gain the President a more full and complete understanding of the reason for our Association's unique success, and a deeper appreciation of the high intents and purposes for which it was formed. As a result, the President's Rainbow life is immeasurably enriched. What I have just said reflects my reaction to my first official Rainbow visits of this year --- the Nebraska Annual Reunion at Lincoln, on September 18th; Tulsa, Okla. on September 20th, and New Jersey Chapter on October 10th.

It was three o'clock in the morning of September 18th when Perc Buterbaugh, President, and Ray Cronan, Secretary, of the Lincoln Chapter, picked me up at the Airport in Omaha and whisked me to Lincoln for the Reunion. A luxury suite awaited me at the Cornhusker. At an early hour the "gang" commenced trekking in for this outstanding event, some, it seemed, from far-away places. I was truly amazed to see the Gardners, Poes, Butlers and Browns from Iowa; the Butts, Woods, Leonard Hill and Billy Gee from Oklahoma, and Bob Taylor, Carl Laughlin and Tom Cagney from Kansas. Some of these traveled at least 500 miles to attend this Reunion in another State.

Terrific Rainbowners, these Mid-

westerners! I was especially pleased to be able to attend this affair as it seemed fitting that my first official visit of the year should be to Nebraska, where my year in office will terminate next July. It was grand, dignified and in good taste; indicative of the fine Reunion you have in store for you in Omaha next July. My sincere appreciation to those grand Nebraska Rainbowners and ladies of the Auxiliary who made my stay in Lincoln so pleasant.

From Lincoln I dropped down to Tulsa with the Butts and Leonard Hill for an intended social visit. But I found that the Tulsa Chapter was not content with less than a luncheon at the Alvin in my honor. This gave me a most welcomed opportunity to meet a number of Oklahoma Rainbowners for the first time. Once more that gracious and friendly air of hospitality prevailed, and it was with mixed regret and satisfaction that I hopped a DC-7 for the East - - regret at having to leave such fine members of our Association and satisfaction from the time spent with them.

Back in New Jersey, on October 10th I was tendered a testimonial dinner at the Molly Pitcher Hotel in Red Bank by our New Jersey Chapter. President Osbourne Harrison, Treasurer Frank Mitchell and National Executive Committeeman Art Slattery officiated. Out-of-Staters on hand were the Riekers, the Seamans and the Egans of New York, and Loyd Matson of Philadelphia. Good music and excellent food, together with true fellowship all contributed to make this an occasion I will long remember.

At all of these grand affairs I was

commonplace incidents in your life, your stature will increase, and you will find that when your period of service to your nation is over you will return a stronger, finer and more worthwhile man and citizen. Painful as your hardships will be, you will recollect them in later years as a wonderful experience.

"As your predecessors in the Rainbow Division we offer our testimony to this fact. And we testify with pride and happiness to the fine and enduring friendships which were born on the battlefields of France, which have lasted until this day, and will last as long as we live."

Service in the Rainbow Division was probably the dramatic highlight of our lives. It was a splendid and colorful chapter in our lives. We do not want it to fade into oblivion, nor do we want lost forever from our lives the heartwarming friendships we formed during the days when we served under the Rainbow colors.

Our Association furnishes the means for keeping these memories and these friendships forever undimmed by the passing years. H. B. R.

According to Len Hill---

Judging by Secretary Gibbons' October 15th report, National Membership is off to a flying start. The total on October 15th was 3,849, which is 538 ahead of the same date last year. The following Chapters had equalled or exceeded last years TOTAL, and deserve special commendation: San Francisco, District of Columbia, Martinsville, Dodge City-Pratt, Mo/Kan, Omaha, Mansfield, Akron, Marion, Delaware, Pittsburgh, Bethlehem and Philadelphia. We hope that when the November 15 report is ready

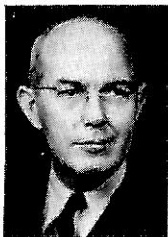

many more Chapters will have joined this select group. Several Chapters need but a very few additional paid-up members to make the grade.

Chapter Secretaries or membership committees are usually the ones that are responsible for getting renewals or new members, but they all have a job to take care of, so if every Chapter member will consider

himself part of the membership team, it will insure the quotas at an early date.

Let's adopt and apply the slogan, "EVERY MEMBER GET A MEMBER."

The National Association is printing a thousand extra REVELLES two or three times during this year to be mailed by WW II men to prospective members. Please help Karl Pulvermuller, Membership Co-Chairman, by agreeing to take some of these extra copies and mailing them, with a personal note, to some of the fellows in your old outfit and asking them to join the nearest Chapter. Karl's address is: 19 Liberty Street, Kearney, New Jersey.

Leonard Hill,
Membership Chairman.

Vol. XXXIV November, 1954 No. 3

The Purpose of our Association

A group of WW II Rainbows at the Boston Reunion requested that your Editor publish in this issue of the REVEILLE -- which will be mailed to over 1000 non-member Rainbows from WW II -- an editorial on the purposes of our Association, expanding on the purpose stated in our Constitution, "to maintain that spirit of comradeship which was the greatest single factor in the success of our Division, and to keep alive the memory of our departed Comrades."

It seems especially appropriate to use, for this purpose, an extract from an editorial published in the REVEILLE for June, 1944, and which was reprinted in full in the Rainbow handbook published by the Division at Camp Gruber and given to each man in the 42nd. We quote:

"... we know from personal experience that this (war service) is an opportunity which will fill your hearts with satisfaction as long as you live. We know, too, that if war itself is not a splendid adventure, that it can write splendid and glorious pages into your lives.... you will form friendships and associations that will enrich your lives. Out of dangers and suffering will come experiences that you will treasure as long as you live. As heroism and self-sacrifice become

Omaha Reunion Dedicated to General Mat Tinley

THE DATE: July 12 - 14, 1955.
 THE PLACE: Omaha, Nebraska,
 "The Gateway to the West."
 HEADQUARTERS: The Hotel Fontenelle.
 THE EVENT: The 1955 National Reunion.
 WHO: All Rainbow Veterans, WW I
 and WW II, and their families.

Yes, the buildup is starting, the fires are beginning to burn and the Rainbow spirit in Iowa-Nebraska is really on the move. The Reunion Committee has held three meetings, and a number of Reunion Chairmen have been appointed.

The Theme of the Reunion? Honor to our beloved General Mathew A. Tinley, formerly Commanding Officer of the 168th Iowa Infantry Regiment, and the second President of our National Association.

The 1955 Reunion Committee knew that the Time and Place Committee in Boston, last July, voted for Omaha partially to honor General Tinley, who had warmly urged the selection of Omaha for the 1955 Reunion.

So, the Iowa-Nebraska Reunion Committee hereby announces to all of Rainbow that the 1955 National Reunion, at Omaha, Nebraska, will be dedicated to General Tinley. Moreover, all Unit Commanders of WW I and WW II will be especially urged to be present, and they, too, will be signally honored.

Each issue of the REVEILLE will carry news about the plans of the Committee, for they want to whet your appetite for one of the really fine Reunions.

July hot? Not next July! The Hotel Fontenelle will be 100% air conditioned.

--Howard Brace, WW II)

Reunion Co-Chairmen.

NOTES FROM A REUNION SECRETARY
 Additional Committeemen were chosen at the third meeting of the Reunion Committee, held October 2nd, in Omaha, Nebraska.

Announcement was made that President Stan Barrow has appointed Howard Brace, a World War II Rainbow living

RAINBOW LEADERSHIP

Among the factors which made the Rainbow Division great was its splendid leadership.

Our leaders were brilliant, energetic, gifted with the power to get things done. This genius for leadership has extended to our Association. The R. D. V. was well endowed with great leaders; it has used this endowment felicitously.

Many of our leaders have been men of great eminence, in government, on the bench, at the bar, in finance and diplomacy. Many have been brilliant orators.

But others rose to eminence in our Association through a simple love of Rainbow and a devotion to its

service. Such a one is Homer Gardner. He has served in every elective office, Chapter, State and National, and has given

in Omaha, as Reunion Co-Chairman to serve with Homer Gardner.

Homer announced that Tom Hanson and Bid Beck, of Council Bluffs, Iowa, are already working on the Barbecue!

Ralph Butler, of Des Moines, Iowa, was named Reunion Treasurer.

Julius Horstein, of Omaha, was appointed as Chairman of the Entertainment Committee.

Allen Hupp, of Omaha, was named Chairman of the Reception and Special Guests Committee.

Frank Wood, of Omaha, is to head the Transportation Committee.

Byron Murray, of Omaha, will be Chairman of the Publicity Committee.

--Ray Cronan, Reunion Secretary

to every office a loyalty and devotion hardly to be equalled. Having reached the National Presidency in Rainbow, he was content to step back to the humbler, "working jobs" which are essential to keeping R. D. V. alive. In this spirit he has accepted the Reunion Chairmanship. In the hands of "Mr. Rainbow of Iowa," we know the job will be superbly well done.

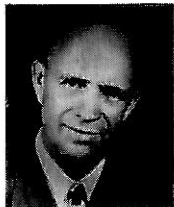

MIDWEST AND JERSEY HONOR PRESIDENT STAN BARROW

vividly reminded that regardless of any local or regional customary influence that may dominate with respect to the manner of conducting the affairs of a Chapter, or as to the type of social or festive get-together that may be enjoyed by its members, the single thing that remains constant and unchanged is that dynamic Rainbow spirit --- that will to be together regardless of distance, time or the elements.

SEE YOU IN BIRMINGHAM,
 ON NOVEMBER 11TH!

--Stan Barrow

OHIO Have you ever paused to consider why Rainbow Veterans, long after the idea was born, have maintained an Association such as ours all these years? If so, you have very likely come to the conclusion that somewhere, in the make-up of our Association and our Reunions, there are basic interests that are sound and revered to an unusual degree.

One of these interests is the heritage that is ours. No U. S. fighting division was ever accorded the background which the Rainbow Divisions exclusively own. You've heard it said that a hundred thousand veterans would give a lot to say, "I am a Rainbow." We who are Rainbows know the price we paid to have that honor. The cost was the same in '43 to '45 as it was in '17 to '19. The price paid is our Heritage. We are interested in keeping it alive. It is ours to nourish and cherish. As the years roll along all of the younger Rainbowners will find themselves tied tighter and tighter to the experiences they encountered while bearing the Rainbow Colors.

Walter Fillman gave an example of our Heritage at this year's convention at Indian Lake when he recited to us the history and the presentation, in 1931, of our Ohio Gavel. The Gavel is a symbol of authority when in the hands of the proper person. Our Ohio symbol is more than a symbol. It represents a conquest won with sweat and tears, and blood; with wounds and with death itself. It is an emblem made with loving hands. Hands which captured the wood and fashioned it into a useful and respected implement. It is our Heritage. One of the many which have fostered Rainbow Spirit and Reunion Comradeship.

--Arthur B. Kinney, President,
Ohio State Rainbow Association.

ALABAMA All plans have now been completed for the Statewide Banquet to be held November 11th in the Emerald Room of the Hotel Redmont.

The Cocktail Hour is set for 7 p.m., and the Dinner at 7:30. As usual, all Rainbowners are invited. Just give the old Mess Sarge a couple of days notice so he can draw rations for you. We look for a big turnout of Alabams, along with some of our Buddies from the Cooper D. Winn Chapter of Atlanta, Georgia. High spot of the affair will be the presence of our National President, Stan Barrow, and our National Auxiliary President, Wealthy Hoyt, together with their Spouses. (Or should this be "their Spice?")

Stan Barrow has let it be known that he has been "laboring on his speech" for the past two months, and it should be a rabble rouser, and draw some "Rebel Yells" from those present. Extensive plans have been made for the entertainment of the V.I.P.s by both the Chapter and Auxiliary. Birmingham leads the Nation in the celebration of Armistice Day. We hope to see faces at the Banquet that haven't been there for years.

A tip of the hat and three cheers

for Bill and Mrs. Squires of the Tuscaloosa Chapter! If that bunch doesn't get back into the Chapter Standing list this year it certainly won't be the fault of this fine couple. In September the Squires threw their Annual Barbecue for all Rainbowners in that area at their home in Northport. According to John Winningham and Skinny Cox, who represented the M. H. Jordan Chapter, it was a party long to remember; about 50 couples were there. (Get their dues, Allen!) Bill does this once a year and I must say that such a fine gesture on his part is in keeping with the spirit that made Rainbow, and our Association, so outstandingly successful. We need more SQUIRES in Alabama, & less "Esquires!" -- "Rags"

---o---

CALIFORNIA The San Francisco Chapter held a regular meeting last month with all the WW I men popping off, even to throwing the Roberts Rules of Order out the window until it got too thick even for Lieut. John Conroy, 165th Inf. and the S. F. Police. I doubt if any of us envy out President, Phil Greenfield, (165th Inf.), for it is more work plus getting the members back into the Chapter after a year in which no meeting was held. So to make things a bit easier, the office of Secretary and Treasurer were combined, with Wm. (Pinky) McCants, Jr., (117th Engrs.) taking in the money and then paying it out --- as well as writing the Bulletin for the Chapter.

Tom Marki gave an interesting account of his flying trip to Italy and way points --- but only with the help of old moneybags Tom Sharon, who had his chauffeur and bodyguard meet him for the drive home. It was good to see Charles Goodman (also of the pick and shovel gang) back with us, looking hale and hearty. Stay on it, and don't fall off, Charlie. Louis (Frenchie) Menein opened up and gave with more than two words, much to everyone's surprise. About the only one who didn't have a solution to our problems was Charles Fiveash (B-117th Engrs.) who traveled forty miles just to see some of the old gang --- and looking more like a WW II youngster than an old has-been of WW I.

Don't know who supplied the refreshments but they were excellent. It seems Phil said something about a political campaign being responsible! We know it couldn't have been Alabama David, who is a patient at Fort Miley --- for which we are all sorry. Word was received from that old wheelhorse of Rainbow, Mickey Jones, from down Lodi way, with a check covering the dues of all Rainbow men there in the grape country. Then a report that the old Topkick of Co. D, Cal Reed, is recovering from a severe heart attack. Now to get them all marked "Duty" so we can all celebrate Veterans Day at Sacramento. See you there!

--Doc Edwards

Los Angeles Chapter held its October meeting on the 14th. Calling the meeting to order was Chapter President Harry A. Jones, the man who "came back." Those who have read the October

REVEILLE know the story of Harry's experience. His desire and determination to attend the meeting and conduct the Chapter's business affairs just one week after returning home from the hospital is indeed a truly great example of Rainbow spirit --- the kind of spirit that made the 42nd famous when the chips were down and the fighting the hardest.

If a man who was at the brink of the "Great Beyond" can not only come back, but in coming back insisted on assuming the duties and work attached thereto of conducting his Chapters' affairs, then surely the rank and file of our membership can do no less than show their spirit by attending Chapter meetings!

To those of you who are afflicted with nothing more serious than ARMCHAIR-ITIS, think this over --- are you less a Rainbower than Harry A. Jones?

--Warner H. Grassell

---o---

FLORIDA 'When we first read the news report about Harry Jones out in L. A. we put it aside as another stunt by the old Pittsburgh Pirate, Warner G., to make Florida jealous. After reading it officially in the REVEILLE, well, to you from all the gang here, Harry, thank God things turned out as they did and may you be with us for another 30 years!

Florida is plugging along for memberships, kind of stinko as yet but with cooler weather in the offing maybe some of the guys will lay off yachting, golfing, fishing, et., long enough to send in their dues. We sure need your help Statewide on this, fellows, if we're gonna go over the top.

State President Ivan H. Wallace, Jr., (222d Inf.), paid his first official visit to Miami Chapter on October 4th. He reports all the Miami bunch in as good shape as can be expected at their ages. The last Boat Ride of the season on that date was a great success.

Stan Barrow's write-up in the October REVEILLE hit the bulls-eye. We can only do a good job if every man helps the poor hardworking Secretaries --- mainly by paying dues.

KANSAS The Chanute Chapter had their annual picnic at Highland Park in September. A grand time, lots of chatter and too much to eat! Among those who came from Kansas City, (Mo. and Kan.) were Mr. and Mrs. L. L. Bradbury, Mr. and Mrs. Hugh Berkley, Glen Alcock, W. W. Heath, Mr. and Mrs. Lewis Campbell, Tom Cagney, Mr. and Mrs. Clark Wike, Mr. and Mrs. Clarence Lavery, Mr. and Mrs. Ray Fields, Mr. and Mrs. Harry Lackey, and Mr. and Mrs. Harry Hooper. The Leonard Hills and the Edwin Dales came on from Tulsa, Oklahoma, and Mrs. Ray Childs with her son David, came from Toronto. Locally, Chanute turned out a nice attendance of 36.

Chanute Chapter meets the first Wednesday of each month, the ladies furnishing the eats. Any Rainbower is always welcome.

--Henry L. Booe
MINNESOTA Now that our Editor has announced a permanent

base in Clearwater, Florida, we submit a greeting from our Minneapolis Chapter to all sojourning Rainbowers. If any Minnesota comrade who has strayed from home wants to renew old contacts, we hope he will write to Frank West, Editor of our Rainbow Chapter News, 4900 31st Avenue South, Minneapolis, and ask to be placed on the mailing list. We put out our chatter every month. To other Chapters we offer a copy that you may see how we try to keep Rainbow alive up here in the North. Last year we gathered dues from 221 members and Wally Borseth, our Membership Chairman, is dead set to beat that score this coming year.

Our November meeting will be the annual Armistice Day Service and Luncheon at the Covered Wagon, in Minneapolis. About 70 or 80 are expected.

It sounds like we missed a great Reunion in Boston, but we hope to make Omaha next July.

To all Rainbowers we extend a cordial invitation to our regular weekly Wednesday Noon Luncheon at the Covered Wagon Cafe in Minneapolis. We never miss. Perhaps we can do you a favor. You will do US one just by dropping in!

--Pat Petersen

NEBRASKA The annual business meeting of the Nebraska Chapter was held in Omaha on October 17th, with a dinner at a local restaurant, adjourning to the Howard Braces for the evening.

This followed a session on October 14th at the Ray Pietig home. Omaha Chapter extends an invitation to all you Rainbowers who haven't been active to join us once a month --- it's fun! Phone MA 0219. Many of our members have been hearing from the Herb James'; we sure miss them and their support. Hope that California appreciates them!

Ethel Gardner has appointed Mrs. Howard Brace, Mrs. Cliff Lawson, Mrs. Edward Ryburn and Mrs. Ray Pietig to various committees for the National Reunion to be held in Omaha next July. The Gardners came to Omaha this month to discuss business with Nebraska and Iowa Rainbowers concerning the 1955 Reunion.

---o---

NEW JERSEY The first meeting of the year was held October 10th at the Legion Home in Red Bank, with the usual fine representation of the WW I's. It's about time for you WW II's to start showing up and helping John Soltys and me to hold the Fort! You're missing a great bet by not attending.

DINNER HONORS PRESIDENT BARROW

After a breezy meeting the membership adjourned to the Molly Pitcher Hotel, where a Testimonial Dinner was held for our National President, our own Stan Barrow, of whom we are very proud. A gala time was had by the more than 50 in attendance.

Our membership is running ahead of last year, and with some help from you younger fellows we can continue the great spirit shown by the Ambulance Company of War One. Come on, fellows, let's go!

--Joseph R. Miller

The 132nd Signal Company Chapter is happy to announce that they are sponsoring the Ohio State Reunion in 1955. The Reunion will be held in Youngstown, Ohio, on June 2nd, 3rd and 4th, with the Headquarters at the Hotel Pick-Ohio. In conjunction with the State Reunion, the 132nd Signal Company Reunion will also be held. Program and details will be published in later REVELLIES. AL and ALMA DiFABIO send regards to all the gang and say they are sorry the National Reunion in Boston wasn't longer because they had such a good time. It was their first Reunion, and our first contact with Al since 1944, when he was Assistant First Sergeant, Assistant Mail Clerk, Assistant Supply Sergeant, etc., at Camp Gruber.

FIRST SERGEANT A. B. SMITH writes that he visited with JIM SAYDAH recently, and both are planning on making the next National Reunion in Omaha. He also saw GUS MAEDER, our first Supply Sergeant, and got him to remit his dues. The rest of you should take notice and do likewise. Just get one of the forgetful buddies to join OUR Chapter.

ETHEL BARKER, wife of WAYNE, our Mess Sergeant, remitted his dues and they hope to see us at the Reunion in Omaha next year.

SANDY JACOBSON says my last card caught him with a few bucks in the secret compartment of his wallet --- the one his wife doesn't know about --- so he remitted his dues, and also paid for his good buddy, Lee MANNING, who, Sandy says, "would rather spend his extra money on the horses." A very friendly gesture, Sandy; and it would be nice for some of the rest of the gang to help out a buddy similarly. Better still, open up that old secret compartment in YOUR wallet and pay your own dues!

GEORGE J. ERIDIO will definitely attend one of our Reunions when it gets closer to California. Maybe we'll see Eridio at Omaha next year.

FRANK J. MIKES, the best Sergeant E Company ever had, is quite a busy boy out in Illinois, with his business & family.

DAVID B. ROSENTHAL, also of Illinois, is waiting for a Reunion of E Co. men. EDWARD F. WOLFE, a very popular guy in E Co., and no doubt in his home, in Oregon, writes that he too, will get around to attending one of our National Reunions. Once he starts, he'll attend 'em all!

WALTER F. FARLEY, whose Machine Gun shot around corners, is now the proud owner of his own home in Randolph, Mass. Walter is an interior decorator by trade but he does quite well as a carpenter. ... His wife has a flower garden and Walter goes in for vegetable raising.

HOWARD HALL has really settled down to raising a family in Niles, Michigan.

WILLIAM A. JOHNSON, Texas, is a buyer for a big department store and is apt to be found in any part of the world, purchasing bargains for his store.

LOUIS MULKINS, Illinois, hasn't changed since the war. He'd rather go out on patrol than drop a line. His fingers hurt when he writes!

JAMES LEE of the North Carolina Lees, is very happily married and is a busy man with his children after he gets thru with his salesman's job. Understand he is the man who sold snowballs to Esquimos.

HOWELL W. KADRIE, Minnesota, now manages a chain of theaters. As a lieutenant he was one of the boys in E Co.

ROYSTON MILLER, gentleman farmer from Michigan, is going great guns--but that 5 a.m. to 9 p.m. still bothers him tho he loves his work!

ATTENTION, PLEASE!
